CITY AND COUNTY OF SAN FRANCISCO
REAL ESTATE DIVISION

July 1, 2004

To the Honorable Mayor, Supervisors,
Controller, and the City Administrator of the
City and County of San Francisco:

REAL PROPERTY OWNED BY THE CITY AND COUNTY OF SAN FRANCISCO

Pursuant to the Administrative Code, I have prepared and transmit herewith a report of property owned by the City and County of San Francisco, the Community College District, and by the San Francisco Unified School District.*

The information contained in this summary report has been derived from data residing in the Real Estate Information System (REIS). The Real Estate Information System is currently being used by city departments and accessed through the city's Intranet. An active web version of similar information as contained in REIS is currently available to the public through the SF Viewer and can be found on the Real Estate Division's web page at www.sfgov.org.

All real properties owned by the City are situated in San Francisco or in other counties in the State of California, as follows:

- Hetch Hetchy in Tuolumne, Stanislaus, San Joaquin, Alameda and San Mateo Counties.
- Water Department in Alameda, Santa Clara and San Mateo Counties.
- San Francisco International Airport, Sharp Park, Log Cabin Ranch School and County Jail in San Mateo County.
- Park and Library lands in Fresno and Kern Counties (Fuhrman Bequest).

Each year the Real Estate Division will complete approximately 150 projects on behalf of various departments. Several significant projects completed during the last year are detailed on the next few pages.

Respectfully submitted,

Steve Legnitto

*NOTES:

Properties under the jurisdiction of the Port Commission do not include dedicated street areas, and the values shown are those carried on Port Commission inventory.

Areas under jurisdiction of the Department of Public Works do not include dedicated street areas in the City and County.

The College District and School District properties are based on historical records and may not reflect the current status.

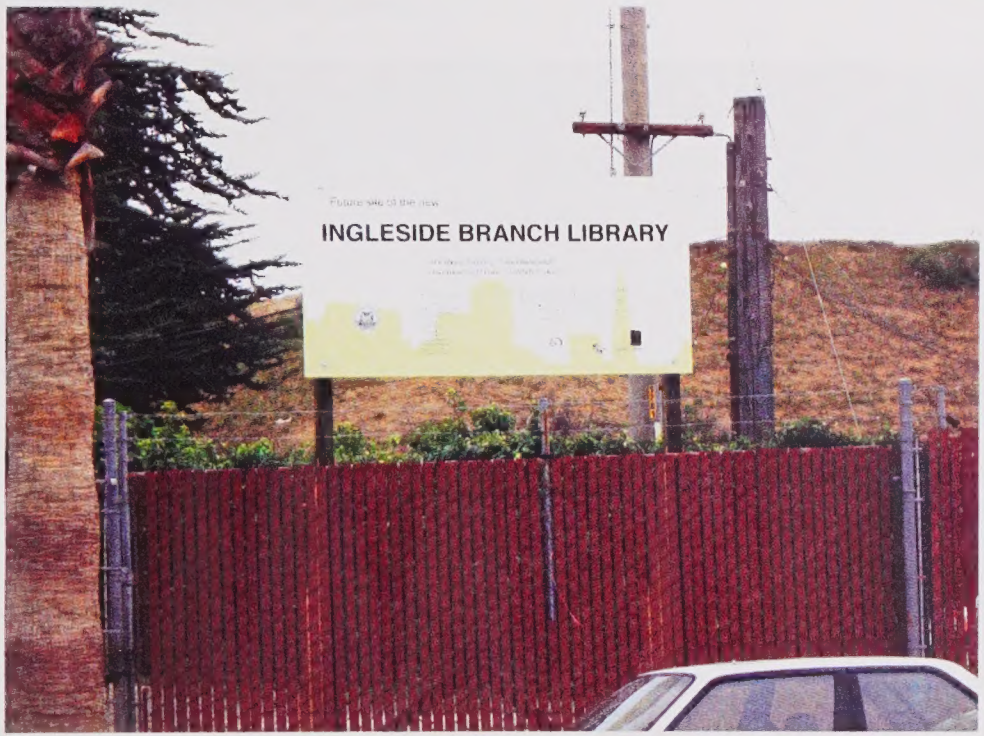
The property book does not yet reflect the Mission Bay Land exchanges between City, Port, State and Catellus Development Corporation.

850 Broderick Street: Block 1156, Lot 23: On February 25, 2004, the Real Estate Division purchased a residential care facility located at 850 Broderick Street to house low-income people for a purchase price of $3.1M.

Central Freeway Land Disposition for Octavia Boulevard Project: Caltrans completed demolition of the Central Freeway Extension, between Market St. and Oak St. in July 2003. The contract for Octavia Boulevard Project was awarded to Ghilotti Bros., contractors, and construction on the project began in March 2004. Phase 1 of the project has a completion of date of May 2005. Through the close of the 2003-2004 fiscal year, seven of the twenty-five parcels scheduled for sale have been sold for a total of $9.16M. Revenues generated from the sale of the parcels will fund the $25.6M Phase 1 (roadway project) and the $19.2M Phase 2 (ancillary projects) portions of the project.

Future Home of the Ingleside Branch Library – 1298 Ocean Avenue (Block 3199, Lot 17): In November 2003, the City acquired a site at 1298 Ocean Avenue for the construction of a new Ingleside Branch Library. 1298 Ocean Avenue is located on the northwest corner of Plymouth and Ocean Avenue and is approximately 11,120 square feet The selection of this site for the new Ingleside Branch Library was made with substantial community input over a 2 year period.

Funding for the purchase came from the voter approved (November 2000) bond funds (Proposition A, a General Obligation Bond Measure to renovate existing City owned branch libraries and to buy permanent locations for branches currently in leased facilities, such as the current Ingleside leased branch).



Visitacion Valley Branch Library, 201 Leland Avenue (Block 6252, Lot 36): In September 2003, the City acquired a site at 201 Leland Avenue for the construction of a new Visitacion Valley Branch Library.

201 Leland Ave is located on the southwest corner of Rutland and Leland Avenue and is approximately 16,637 square feet. A short term "leaseback" to the Seller, doing business as the Super Fair Market, provides the Library with income during the Library's planning and permitting process.

Funding for the purchase came the voter approved (November 2000) bond funds (Proposition A, a General Obligation Bond Measure to renovate existing City owned branch libraries and to buy permanent locations for branches currently in leased facilities - such as the current Visitacion Valley leased branch).

Portola Branch Library, 380 Bacon Street (Block 5983 ptn.): In January 2004, the City acquired a site at 380 Bacon St. from the San Francisco Unified School District for the construction of a new Portola Branch Library.

380 Bacon St. is currently an under utilized portion of the Martin Luther King, Jr. Middle School and is located on the northeast corner of Goettingen St. The site is approximately 8,800 square feet . The selection of this site for the new branch was made with substantial community input over a 2 year period.

Funding for the purchase came the voter approved (November 2000) bond funds (Proposition A, a General Obligation Bond Measure to renovate existing City owned branch libraries and to buy permanent locations for branches currently in leased facilities - such as the current leased Portola branch).
